Remodel wins City of Santa Cruz Green Building Award

Cabinetry and photo courtesy of Jonathan Leys of WoodMaster: 475.4200

greenspace owner and Certified Kitchen Designer, Lydia Corser, helped her clients go "umber green" for this remodel, using materials carried by greenspace.

Rely on greenspace to help reduce your carbon footprint, improve indoor air quality for yourself and your loved ones.

~ Find a unique gift that benefits people and the planet

~ Your source for cleaning supplies, paint and home finishes that are truly green

We do the research: Our products are pre-screened green!
